Your Chamber Working for You

Dear Chamber Members,

Thank you to our new and renewing members.

Your Chamber has been working hard on your behalf. Here's a few of our recent highlights:

- Taking action to promote local hire and local procurement for major construction projects in Campbell River
- Taking action on a review of the Sign Bylaw; Official Community Plan; Zoning Bylaw; Business License
- Leading the development of a policy resolution and position paper on the Coastal Forestry Industry
- Created a new event, FUTURE 15 to promote a positive business climate, retain and attract young professionals to our community and promote the talent and workforce our employers need to grow their business.

Upcoming Chamber Events

Business Walk / Downtown Enhancement Luncheon

This luncheon will get you up to speed on what we heard from local businesses on our Business Walk and what enhancements the city has planned for downtown.
