FOR IMMEDIATE RELEASE

The Chamber's Summer BBQ was a Great Success!

The Campbell River Chamber's Annual Summer BBQ was a sold out event! Guests enjoyed a delicious buffet, won fantastic prizes and mingled with Campbell Rivers finest. The Summer BBQ is the Chamber's way of showing our tremendous appreciation for our wonderful members and this year in particular we have so many reasons to celebrate together. "Now more than ever, Campbell River is shining example of positive business growth and we're pleased to be a part of supporting local success and achievement. We kicked off 2016 by celebrating our fantastic rising talent at the FUTURE15 event and we continue to build on that momentum leading into our 2016 Business Awards of Distinction. At the Chamber we are always thrilled to provide opportunities for our community members to get to know one another and in this case, enjoy a delicious meal in the sunshine." shares Colleen Evans, Chamber President and CEO.

The Summer BBQ took place on Thursday, August 18th at the Chamber offices and all guests were asked to bring a non-perishable food item for donation to the Campbell River Food Bank. The Campbell River Food Bank feeds over 2000 people a month, many of whom are children. As this event was celebrating community appreciation, it was a perfect match to partner with an organization that is continuously working to support local individuals and families right here in our home town.

The Summer BBQ is proudly sponsored by Canadian Western Bank, Thrifty Foods, Quality Foods, Community Futures Strathcona, Marine Harvest, IRIS Campbell River and the BC Salmon Farmers Association.
