Campbell River Chamber Working on Behalf of Businesses

Changes to federal taxes are moving in the right direction,

but more is needed.

"Finance Minister Bill Morneau has responded to some of the concerns expressed by the Canadian Chamber and the small and medium-sized businesses it represents, ...and by his caucus colleagues. The government's revised package is still not perfect, but is more balanced and it addresses a number of the issues that have been raised over the past several weeks," - Hon. Perrin Beatty, CEO and President of the Chamber
